The Management of the Board of Mineral Development, Bangalore, terminated the services of Sri A. Rudrappa and Sri Krishna Rao, by the two memos issued by the General Manager on 27th April, 1966. The termination had to take place with effect from the afternoon of 30th April, 1966. The I Party, the two workmen, filed their claim statement on 24th July, 1967 through Mr. K. Subba Rao, their Advocate. The II Party filed the Counter Statement on 19th August, 1967. Issues were framed and the Parties were directed to leave evidence in support of their respective contentions. The case was taken up at Shimoga camp on 16th September, 1967. Both the workmen examined themselves and they also examined one witness in support of their contention. The II Party did not examine any witnesses. On behalf of the II Party, Sri C. R. Keshavamurthy, Personnel Officer of the Board, conducted the case. The case was taken up for arguments and in fact, Mr. Subba Rao, argued the case on behalf of the I Party. The II Party has to address the arguments on 11th October, 1967, but on that day, both the Parties came to an understanding and filed a Memo signed by both the

Parties whereby the matter was reported to have been settled. According to this settlement, the following are the terms of Settlement:—

- "1. It is agreed that the II Party-Management will reinstate Sri A. Rudrapa and Sri Krishna Rao with immediate effect with continuity of service.
2. It is agreed that for the period from the date of relief of each of the above employees viz. from 30th April, 1966 to the date of reinstatement, he will be paid fifty per cent of the wages, with all other emoluments.
3. Lastly, it is agreed that this settlement is in full satisfaction of the claims of each of the above two employees."

With the above conditions both the Parties prayed that an Award be passed on the above terms.

3. I find that this settlement is advantageous to both the Parties and therefore, I accept this settlement and pass an award in terms of the Memorandum of Settlement. I direct the II Party to reinstate both Sri A. Rudrapa and Sri Krishna Rao to their former posts with immediate effect and with continuity of service. Further, I direct that each of the workmen be paid 50 per cent of the wages and other emoluments from the date of termination i.e. from 30th April, 1966 up to the date of reinstatement. I further direct that each Party will bear its own costs in the circumstances of the case. This is in full settlement of the claim of both the Parties. This Memorandum of Settlement will form part of the Award.

**AWARD**

By Order No. 6/51/66-LRII. dated 3th May, 1967, the Central Government referred for adjudication an industrial dispute between the employers in relation

to the Bejdih colliery of Messrs Equitable Coal Company Limited, P.O. Diser-garh, Distt. Burdwan, and their workmen in respect of the matter specified in the following schedule:

"Whether the transfer of Shri Nabin Chandra Patra, Lamp Issue Clerk from Bejdih Colliery to Bhanora Colliery from the 13th November, 1964 and his subsequent dismissal from the 8th February, 1965, by the management of Bejdih Colliery were justified? If not, to what relief is he entitled?"

2. According to the case of the union, Nabin Chandra Patra had been serving at Bejdih colliery as Lamp Issue clerk for about 24 years. He had been attending to his duties at Bejdih from his village home at Mithani situated at a distance of about one mile from Bejdih colliery. There was some litigation over land between the workman, Nabin Chandra Patra, and the management and also between the workman's sister and the management. The management was annoyed with the workman on account of such litigation and therefore passed an order dated 13th November, 1964, transferring the workman to Bhanora colliery situated at a distance of about 20 miles from Bejdih colliery; but a copy of the transfer order was obtained by the workman only on 26th December, 1964. The workman however had been suffering from filarial fever from 16th November, 1964; he was treated at the colliery dispensary at Bejdih and was referred to Sanctoria hospital where he got treatment as an outdoor patient from 19th February, 1965 and as an indoor patient from 10th March, 1965 to 13th March, 1965. In the meantime he received an order passed by the manager of Bhanora colliery, dated 8th February, 1965, dismissing him from service. The workman made a representation to the Chief Mining Engineer by a letter, dated 17th March, 1965, and the C.M.E. gave him a chance to join Bhanora colliery by 12th April, 1965; but when the workman asked for suitable accommodation at Bhanora and for transport facilities to Bhanora the management did not give any reply and ultimately informed him that the order of dismissal, dated 8th February, 1965, would stand. According to the union, the order of transfer as well as the order of dismissal is bad and therefore the workman is entitled to reinstatement with wages for the period of non-employment.

3. According to the management, the plea that the management was annoyed with the workman because of civil litigation over land was raised more than a year after the order of dismissal had been passed i.e., by the union's letter, dated 7th April, 1966 to the A.L.C., Central, Asansol, and there was no substance in that contention. The raising of coal at Bejdih colliery had been falling sharply and the management was compelled to transfer workmen from Bejdih to other collieries belonging to Messrs Equitable Coal Company Limited, and Nabin Patra's transfer was one such transfer and was made in good faith and in accordance with the standing orders to which all the workmen were subject. Nabin Chandra Patra was aware of the order of transfer shortly after it had been made, for he filed a petition, dated 27th November, 1964 to the C.M.E. against the order of transfer and the C.M.E. replied by a letter, dated 3rd December, 1964 that the order of transfer could not be cancelled and must be carried out; but the workman still failed to carry out the order of transfer and therefore he was liable to dismissal for unauthorised absence over 10 days from his place of work, namely Bhanora colliery to which he had been transferred. The manager, Bhanora colliery issued a chargesheet, dated 5th December, 1964, for unauthorised absence for over 10 days by registered post to Nabin Chandra Patra; as Nabin Patra did not send any reply, another chargesheet, dated 11th January, 1965, was sent by registered post to him. To the second chargesheet also no reply was sent by Nabin Patra, but after issuing notice of the date of enquiry, an ex-parte enquiry was held at which the charge was found proved, and on the basis of the report of the enquiring officer the manager with the approval of the C.M.E. passed an order of dismissal on 8th February, 1965, and the order of dismissal was valid. Subsequently as a special case the manager gave a chance to Nabin Patra to join at Bhanora by 12th April, 1965, but Nabin Chandra Patra did not avail of the offer thus made but raised questions of accommodation and transport facilities in order to avoid the transfer and accordingly the management was justified in holding that the order of dismissal passed on 8th February, 1965, would stand.

4. Nabin Chandra Patra deposed as PW 2 before the tribunal and stated that he was also known as Uma Prasanna Patra and that as Uma Prasanna Patra he filed a suit against Messrs Equitable Coal Company Limited namely Title suit 9 of 1964 in the 2nd Court of Munsif, Asansol and that he won the suit and also the appeal in the court of the Sub-Judge, Asansol, and that the company filed a second appeal and obtained a stay order against the execution of decree on 10th February, 1967 vide Ext. 6. Nabin Patra however, admitted in his cross examination that in the company's registers and papers his name was recorded as Nabin

Chandra Patra. He claimed that once in a letter in 1960 he mentioned his *alias* Uma Prasanna Patra to the company, but no such letter could be proved, as the original was not called for. It has been urged by Sri Monoj K. Mukherjee on behalf of the management that there is nothing to show that the company was aware that Uma Prasanna Patra who filed the title suit over a land against the company was their employee Nabin Chandra Patra. In his letter, Ext. A, dated 27th November, 1964, against the order of transfer there is no reference to any civil litigation between Nabin Chandra Patra and the company. Even in the representation made on 19th March, 1965 (Ext. 11) after Nabin Patra had received the order of dismissal there is no mention of any civil litigation between himself and the company. The civil litigation was mentioned for the first time in the union's letter to the A.L.C., Central, Asansol, dated 7th April, 1966, more than a year after the order of dismissal had been passed. In the circumstances it is not possible to hold that the management passed the order of transfer against Nabin Chandra Patra because he had filed a Civil suit against the management. Shri S. N. Banerjee has urged that according to the evidence of MW-1, Amitabha Ghosh, there were three Lamp Issue clerks for the three shifts of Bejdih including Nabin Chandra Patra and so the transfer of Nabin Patra was uncalled for, even if there was surplus staff elsewhere. But MW 1 has stated that after the order of transfer was passed, no new man has been appointed in place of Nabin Patra, the work being apparently done by a lamp-in-charge. The order of transfer was made in accordance with the Standing Orders and could not be held to be a *malafide* order. I must hold therefore that the order of transfer passed on 13th November, 1964 was justified.

5. Next, there is the question whether the dismissal with effect from 8th February, 1965, was justified. The order of transfer is Ext. 1; it directs that as from 23rd November, 1964, Nabin Patra's name should be removed from the rolls of Bejdih and put on the rolls of Bhanora colliery; i.e., Nabin Patra was to join at Bhanora colliery by 23rd November, 1964. According to Nabin Patra the order of transfer was sent to him by registered post and he received it on 26th December, 1964. In support of this case Nabin Patra produced the cover of the registered letter, Ext. 1A by which he received the transfer order Ext. 1. The cover shows the date of issue as 24th December, 1964 and the date of service 26th December, 1964. The Peon Book, Ext. C, shows that attempt was made to serve the transfer order by Peon Book on 17th November, 1964, but it did not succeed. Nabin Patra was however clearly aware of the transfer order long before 26th December, 1964 for on 27th November, 1964, he made a representation to the C.M.E. against the order of transfer (Ext. A); the representation was refused by the C.M.E.'s letter, dated 3rd December, 1964, Ext. 2, which was admittedly received by Nabin Patra. Nabin Patra's case is that he had become ill of filarial fever and other ailments from 16th November, 1964 and so he remained at his village home at Mithani and the management treated him as still employed at Bejdih colliery in spite of the fact that an order of transfer had been passed. There is indeed some documentary evidence in support of this contention. Ext. 7 is a letter from the manager of Bejdih colliery to Nabin Chandra Patra stating that Nabin Patra had reported sick on 16th November, 1964, for filarial fever and that after that he had not been attending the dispensary regularly nor reporting to the medical officer; the manager directed Nabin Patra to appear at Sanctoria hospital for examination by the Chief Medical Officer. As to the date, there is some overwriting in this letter. The original date of the letter appears to have been 6th January, 1965 and Nabin Patra was directed to appear before the C.M.O., Sanctoria hospital on 8th January, 1965 at 8 a.m.; the date of the letter was altered to 20th January, 1965 and the date of appearance before the C.M.O. to 25th January, 1965. There is nothing to show when and by whom the dates were altered. But even accepting the original dates, it appears that on 6th January, 1965, long after the Chief Mining Engineer had by his letter, dated 3rd December, 1964, Ext. 2, refused to cancel the transfer order, the manager of Bejdih colliery was treating Nabin Patra as employed at Bejdih colliery. According to Nabin Patra, when he received the letter, Ext. 7, the date for appearance before the C.M.O. of Sanctoria hospital had already expired and he informed the manager accordingly and thereupon the manager issued another letter, Ext. 9, addressed to the C.M.O., Sanctoria hospital stating that Nabin Chandra Patra, Lamp Issue clerk, was suffering from chronic filarial fever and that he might be examined to ascertain whether he was fit for his work. This letter also contains an overwriting as to the date. The original date appears to have been 15th February, 1965 and this has been altered to 19th February, 1965. But whether the date is 15th February or 19th February, 1965, the letter was being issued by the manager, Bejdih colliery describing Nabin Chandra Patra as a Lamp Issue clerk, meaning that he was a Lamp Issue clerk of Bejdih colliery. Thus tacitly the manager was treating him still employed at Bejdih colliery in his original

post as Lamp Issue clerk, although he was absenting himself on account of sickness, and although the Manager must have been aware of the transfer order. Nabin Patra's evidence is that he appeared with the letter Ext. 9 before the C.M.O., Sanctoria hospital for the first time on 19th February, 1965, and thereafter he was admitted as an indoor patient on 10th March, 1965, though he was discharged after 3 days on 13th March, 1964. Ext. 8 is the discharge certificate issued by the Sanctoria hospital. Therein the patient is described as Nabin Chandra Patra, Lamp Issue clerk, Bejdih colliery. The medical authorities of Sanctoria hospital reported that Nabin Patra was fit for duty but recommended 7 days' leave from the date of discharge certificate, 13th March, 1965. According to Nabin Patra's evidence he appeared with this certificate before the manager, Bejdih colliery and asked for work, but the manager asked him to approach the C.M.E. and thereafter Nabin Patra wrote the letter Ext. 11 to the C.M.E. on 19th March, 1965, stating about his illness and his treatment and discharge from the Sanctoria hospital, and stating that owing to his illness when he received the order of transfer to Bhanora he could not join at Bhanora colliery; but that the manager of Bhanora colliery had sent a letter of dismissal to him. It was on receiving this letter that the C.M.E. gave a chance to Nabin Patra to join at Bhanora by 12th April, 1965, *vide* letter Ext. 4. But Nabin Patra failed to avail of the chance given to him.

6. The question in this Reference case however is not about Nabin Patra's non-compliance with the order to join at Bhanora by 12th April, 1965, but about the validity of the earlier order of dismissal, dated 8th February, 1965, an order passed not by the management of Bejdih colliery, as stated in the Reference order, but by the manager of Bhanora colliery. The Manager, Bhanora colliery had also received a copy of the transfer order, Ext. 1. As Nabin Patra did not join at Bhanora colliery, he issued one chargesheet for absence for over 10 days on 5th December, 1964, and as he did not receive any reply he issued a second chargesheet dated 11th January, 1965; both were sent by registered post. Nabin Patra's evidence is that he did not receive either chargesheet, but he admitted the acknowledgement receipts, Ext. B and B/2 along with which the 2 chargesheets were sent by registered post. Nabin Patra said that as he was ill at the time he did not peruse the contents of those covers and that subsequently when he looked at his papers he could not find any chargesheet. He said that he received the notice of enquiry in respect of the second chargesheet, the notice of enquiry being Ext. 3, but that he did not attend the enquiry fixed for 29th January, 1965, at Bhanora because he did not receive the chargesheet. Since however Nabin Patra signed the acknowledgement receipts, Ext. B and B2, it must be held that he had received the two chargesheets; clearly he had omitted to reply to them as he was trying to avoid the transfer to Bhanora. Ext. D is the copy of the second chargesheet dated 11th January, 1965, containing the recommendation of the manager for dismissal on the basis of the report of the enquiring officer and the order of the C.M.E. approving of the order of dismissal. In view of all this evidence, oral and documentary, the order of dismissal might be held to be valid if in the meantime the manager of Bejdih had not treated Nabin Patra as still employed at Bejdih colliery and so waived the transfer order. In view of this conduct of the manager of Bejdih Nabin Patra might not unreasonably conclude that the order of transfer was no longer in force. That being so, it must follow that the order of dismissal by the manager of Bhanora was not justified in the circumstances.

7. Shri S. N. Banerjee for the union has sought to justify the conduct of Nabin Chandra Patra in not availing of the chance given to him to join at Bhanora by 12th April, 1965, stating that Nabin Patra was entitled to suitable accommodation at Bhanora before he acted on the order of transfer. In such a case, even though a workman may claim to be provided with suitable accommodation he should first obey the order of transfer. It is not however necessary to consider this point in detail, because we are not concerned in this case with the non-compliance with the order to join at Bhanora by 12th April, 1965. The order of dismissal, dated 8th February, 1965, passed by the manager of Bhanora colliery dismissing Nabin Patra having been held to be unjustified because at the time when the proceedings were going on Nabin Patra was being tacitly treated by the management as still employed at Bejdih colliery, there must be an order of reinstatement; but in view of the conduct of Nabin Chandra Patra I do not think that he is entitled to any pay for the period of non-employment. Although at the time when he received the order of transfer Nabin Chandra Patra was ill it does not appear that the illness was very serious. Moreover there was unconscionable delay in raising the dispute before the Conciliation Officer.

8. My award therefore is that the transfer of Shri Nabin Chandra Patra, Lamp Issue clerk, from Bejdih colliery to Bhanora colliery as ordered on 13th November, 1964 was justified; but the subsequent dismissal with effect from 8th

February, 1965 was not justified. I therefore direct that Shri Nabin Chandra Patra be reinstated at Bejdih within a month of the publication of the award. He will not receive any pay or compensation for the period of non-employment but the period of non-employment will be treated as leave without pay. It would be open to the management to transfer Shri Nabin Chandra Patra to Bhanora colliery or any other colliery under M/s. Equitable Coal Company Limited by passing a fresh order of transfer if the management still considers it necessary to do so; the old order of transfer can no longer be treated as still in force.
